**AN EDUCATIONAL THEATRE ASSOCIATION AFFILIATE**

*Not sure if you're ready to charter a Jr. Thespian Troupe?*

*Use this checklist to see if you have what it takes to call yourself "Troupe Director!"*

*(Hint: You DO!)*

- I am an employee of a public or private school who works primarily with students in grades 6-8.
- I want to offer even more theatrical opportunities to my students.
- I want to lend additional recognition to the arts program at my school.
- I would like additional opportunities to network with other theatre education professionals, at no cost to me.
- I have at least **six** students who have dedicated at least **50 hours** each to the theatre program at my school. *(This is equivalent to participation in approximately two productions)*
- I have ten minutes to speak or email with someone who can help me get started.
